

# House Sponsorship Opportunities Fall 2017

## HABITAT FOR HUMANITY OF GREATER NASHVILLE

Habitat for Humanity of Greater Nashville is grateful for the opportunity to present you with this proposal. The agency looks forward to working with you in creating a partnership that will be beneficial for your organization, its constituents, and the Greater Nashville community.

*Our mission is to put God's love into action by bringing people together to build homes, communities and hope.*

## WHO WE SERVE

Habitat works to help those with household incomes averaging \$32,760 or less to purchase a single family home. In order to qualify for a home, partner families must have:

- A housing need.
- A stable income to pay their mortgage and \$2,500 in closing costs.
- A willingness to attend homeownership education classes, work on the build site, and volunteer at the Habitat ReStore.

Habitat for Humanity of Greater Nashville is a proven model of success with less than a 2% delinquency rate on home mortgages, significantly below the national average. Our goal, through education and the support of a caring community, is *Building Better Lives.*
