

Village by the Creek

Habitat for Humanity of Greater Nashville's
Newest Single-family Homes Neighborhood

Faith Build Partnership Opportunities

Habitat is offering build day experiences Thursdays through Sundays beginning March 9 through June 25 with the exception of Easter and Memorial weekends for its newest neighborhood, Village by the Creek. Habitat's 58 single-family homes development is located in North Nashville off Brick Church Pike, 10 minutes from downtown.

As a faith partner, you will have the right of first refusal to provide up to 20 volunteers on each of the build day experiences you support. Volunteers will work alongside future Habitat homeowners on their journey to purchase quality homes with affordable mortgages. Habitat for Humanity's homeownership program empowers hardworking individuals and families to stabilize their lives. As faith traditions teach us, giving and serving changes you too.

Future Habitat homeowners qualify for our homeownership program. They attend education classes while building their homes alongside sponsors and volunteers.

Village by the Creek

Give

After 10 years of applying, Habitat faith partner, Deanna, became a Habitat homeowner in the summer of 2022.

Giving partnerships range from a build day experience that starts at a Hope Builder level for \$8,250 to a Legacy Builder at \$132,000. Congregations unable to sponsor a full build day experience may give according to their ability to do so, in partnership with other congregations or singularly. **All gifts are welcome.**

Build

Habitat homeowner Lucy says to her sponsors, "Thank you! I'll never have to live in fear of being told to find another place to live."

Putting **"feet to faith"** is a powerful shared mantra of the world's great religions, or as one Habitat volunteer said, **"I believe, therefore, I build."** Habitat Nashville relies on our faith partners to literally hammer nails, caulk joints, and paint walls as an outpouring of their commitment to the beloved community.

Pray

Habitat homeowner Dionna says she is so relieved to finally have a stable monthly housing payment.

A recent new Habitat homeowner remarked: **"The thing that meant the most to me during my build were the people who PRAYED for me even though they really didn't know me."** For the faithful at Habitat for Humanity, prayer is the shared blessing that becomes a home.

Village by the Creek

Habitat offers multiple levels of partnership:

Financial Gift	Build Day Experiences	Volunteer Capacity
Legacy Builder		
\$132,000	16	Up to 320 volunteers (20 per build day)
Block Builder		
\$100,000	12	Up to 240 volunteers (20 per build day)
Master Builder		
\$66,000	8	Up to 160 volunteers (20 per build day)
Cornerstone Builder		
\$33,000	4	Up to 80 volunteers (20 per build day)
Dream Builder		
\$16,500	2	Up to 40 volunteers (20 per build day)
Hope Builder		
\$8,250	1	Up to 20 volunteers

Habitat for Humanity brings people together to build homes, communities and hope.

All levels of partnership will receive the following benefits:

- Sponsor logo on build site signage, on the Habitat website, and in the annual report
- Access to online photo galleries from your build day experience(s)
- Social media posts with active shots of sponsor volunteers
- Building a community for a North Nashville neighborhood
- Sponsor recognition piece
- Visual storytelling of the construction of Village by the Creek neighborhood
- Opportunity to participate in the ribbon cutting and dedication of the sponsored future Habitat homeowner and their home
- A shared journey with the future Habitat homeowner whose home will be built with your financial support

Those who are not able to sponsor a build day experience for \$8,250 may be able to create a partnership with another organization, client or congregation to achieve the desired level of giving.
