- I have not owned a home in the last three years.
- I have had steady income for the last two years in the United States.
- I have recurring income of at least $2000/month. (More income may be necessary depending on the houses and funding currently available and your personal situation.)
- My total household income is less than the maximum amount for my household size as listed at the website above (income limits are subject to change).
- I have been at my job (or jobs) for at least six months (or if self-employed, I filed this income on my last tax return).
- I pay most of my bills on time.

- I can pay off any collections, judgments, or charge-off accounts on my credit report in the next 9-12 months.
- If I’ve had a Chapter 13 bankruptcy, it has been satisfied, released, or dismissed for at least one year (or two years if it was a Chapter 7 bankruptcy).
- I’m willing to attend homeownership classes, volunteer at the Habitat ReStore and help build homes (unless a disability restricts this).
- If I am married, my spouse is applying with me OR, if separated, my spouse is willing and able to provide information about his/her income, submit to a background check, and to be physically present in Nashville to sign certain documents.
- If I or anyone in my household has had any arrests or convictions, I have reviewed pages 14-15 and feel I/we meet the background requirements.
REQUIREMENTS FOR SUBMITTING YOUR APPLICATION

If you do not follow these requirements, your application may be returned or declined.

Turn in ALL items on the checklist below AT THE SAME TIME.

All documents must be COPIES, not your originals. We cannot make copies for you.

Please be organized and place items in the order of this checklist with NO STAPLES.

☐ Application fee - $20 for each applicant is required when you apply. Exact cash, check, or money order only.

☐ Pages 1-19 of this packet completed - Read instructions on each page carefully. Some forms must be completed by others (landlords, employers, household members, etc.) and some may not apply to you.

☐ Paystubs – Most recent paystubs for each job held by any applicant or household member. Paystubs should include year to date earnings. Include all paystubs for the last month (i.e. 2 paystubs if paid bi-weekly or semi-monthly, 4 if paid weekly) – See bottom of this page if self-employed

☐ Other income - If anyone in the household receives SSI, SSDI, SSA, disability, retirement, pension, alimony or other income not listed elsewhere, provide the most recent official documentation of the amount they receive.

☐ Child support court orders – You must submit documentation for any open cases, even if it has not been paid recently. (This can be obtained from the court or it may be listed on monthly statements)

☐ Child support received – Provide a six month payment history (even if it shows zero payments on a court order), available online or from the court. If you receive support that is not court ordered, include copies of receipts, bank deposits, or other documentation to show the amount you regularly receive. A notarized statement will NOT work.

***If you do not have any of the below tax documents, see the IRS information included on page 21.***

☐ Most recent filed tax return or IRS tax transcripts for all applicants

☐ All W-2’s and/or 1099’s for the most recent year or IRS Wage and Income transcripts for all applicants

☐ Proof of Permanent Legal Residency in the U.S. for each applicant. Options include: U.S. Birth Certificate, U.S. Passport, Proof of U.S. Citizenship, Permanent Resident Card (green card), or provide the notice from Citizens and Immigration Services that Adjustment of Status to permanent resident has been granted and a card is being issued.

☐ Social Security Cards for each applicant.

☐ State or U.S. Issued Photo Identification for each applicant.

☐ If you are SELF-EMPLOYED or a 1099 contractor, you will not have paystubs. You must provide your last two tax returns including “Schedule C” or other pages that show your business income.

☐ Proof of old debt settlements/payoffs - Provide these IF you have already settled any old debt (collections, judgments, charge-offs) that could show up with a balance when we pull your credit. If not, we can only assume these still need to be paid.
Section A. Household Information:

**Applicant and Co-Applicant Information**

A co-applicant is someone who will share ownership of the home, responsibility for the mortgage, and who will also live in the home. Not everyone has a co-applicant. If you are married and intend to live together in the Habitat home, your spouse will be your co-applicant. If separated, please contact Habitat for additional information needed from your spouse.

Please check the county you wish to apply for:

Other Monthly Household Income and Resources

Please indicate monthly amounts that the applicants or anyone in the household receives for the types of income below. It is extremely important to disclose and document all household income. Under certain circumstances, we may not have to count certain sources of income, but we need to be aware of it. Our income limits are strict due to the nature of our program and funding sources. Therefore, if undeclared income is discovered, the application will be declined.

**Note:** Court ordered child support and alimony must be included in this section (even if it is not paid).

Section D: Household Expenses & Debts

Current Monthly Bills and Expenses

For each expense that your household has, please list a monthly estimate of what each item costs your household. Some of these expenses are not true monthly expenses, for example, you may not have medical or clothing expenses each month. In this situation, we ask that you make a yearly estimate of what your family has to spend on this item and then divide that number by twelve (12) to figure a monthly budget amount. Debts and loan payments will be listed on the next page.

**Section F. Ability and Willingness to Partner with Habitat for Humanity:**

**Willingness to partner** is a foundational element of the Habitat program. While housing need and ability to afford homeownership are very important factors, the willingness to partner is also a critical element to becoming a successful Habitat homeowner. Relationships that develop between potential homeowners, volunteers, staff, sponsors and Habitat relate directly to our long-term ability to provide quality, affordable homeownership. A good partnership is one where all involved understand their respective roles and fulfill them wholeheartedly with honesty and integrity.

**Sweat equity** is Habitat’s most valuable tool in building a partnership with potential homeowners. The term **sweat equity** means the hands-on involvement of potential homeowners in the construction of their own homes, participation in homeownership classes, and other Habitat and community activities. Sweat equity is a potential homeowner’s physical and emotional investment in the mission of Habitat and their home. Sweat equity is not a simple programmatic requirement, nor is it in any way meant to be a test for potential homeowners to pass or fail. Rather, sweat equity is designed to meet three important goals: 1) partnership, 2) pride in homeownership, and 3) development of skills and knowledge.

The following is a list of questions that need a response from both the applicant and co-applicant. If you have concerns about these, we recommend attending an Information Meeting to learn more before you fill out this section.

<tr>
<td>Are you “willing to partner” with Habitat? This includes, but is not limited to, attending an Information Meeting, completing paperwork within deadlines given, attending an interview with Habitat staff, allowing the Homeowner Selection Committee to conduct a home visit, meeting criminal background and sex offender requirements, cooperating positively with Habitat staff and volunteers, and neither omitting nor giving false information at any time (including failure to report changes to your situation in a timely manner). It also means serving as an ambassador for Habitat and establishing a positive, interactive, appreciative relationship with Habitat staff, sponsors, volunteers, and other future homeowners to promote Habitat’s mission.</td>

<td>Are you willing and able to earn sweat equity? This includes attending classes, working with a budget coach to improve your finances, building yours and other’s homes and other volunteer activities. Single applicants will earn a total of 200 hours and households with two or more applicants will earn a minimum of 280 hours. Classes are held on Tuesday and Thursday evenings from 6:00 – 8:00 p.m. and on Saturdays, all of which must be attended. It will take several months to complete the full schedule of classes (different class times may be scheduled for Dickson, Cheatham, and Wilson Counties). Construction generally occurs on weekends (both Saturdays and Sundays). All approved applicants will be required to attend these. Consider your ability to participate in these activities including your transportation, work schedule, school/other activities and childcare as applicable.</td>

If you hope to save from your paycheck monthly, what is reasonable in your budget? You may be required to make at least $50 monthly payments during partnership, but this will not be enough on its own.</td>

Attachment C: Notice of Sex Offender Registry and Criminal Background Check Policies

As a ministry, Habitat for Humanity of Greater Nashville (HFHGN) values the safety of children, our employees, volunteers, and the families we serve. We want to take prudent measures to protect our human and material resources. Therefore, HFHGN has set a policy to require sex offender registry and criminal background checks of all applicants and household members who may be selected to become Habitat partner families and homeowners. This Sex Offender Registry and Criminal Background Check Policy considers an applicant’s history that may have an impact on the applicant’s ability to pay, willingness to partner, or that may pose a risk to HFHGN, its staff, volunteers, contractors, agents, or others in the community.

Notice to Applicants and Household Members:

- All applicants and household members age 14 and older are subject to sex offender registry checks.
- All applicants and household members age 18 or older are subject to criminal background checks. While only adults may be screened through a third party criminal background screening service, juvenile adjudications (that are open to public inspection) for any applicant or household member, whether currently a minor or adult, are covered under this policy. Juvenile adjudications that are open to public inspection in Tennessee include first degree murder, second degree murder, rape, aggravated rape, rape of a child, aggravated robbery, especially aggravated robbery, kidnapping, aggravated kidnapping, or especially aggravated kidnapping and the attempt to commit those offenses, but juvenile adjudications open to public inspection from any state are relevant to this policy. HFHGN has the right to conduct criminal background checks on any member of the applicant household over the age of 14.
- Any applicant or household member who does not consent to a sex offender registry or criminal background check will disqualify the entire household from being selected for partnership with HFHGN.
- Unless a divorce is proven imminent, an applicant’s separated spouse is considered a household member and is subject to sexual offender registry checks and criminal background checks in the same manner as household members.
- All applicants and household members must disclose convictions, diversions, guilty and nolo contendere pleas, and/or juvenile adjudications (that are open to public inspection) occurring at any time in the past. Failure to disclose these will disqualify an application.
- All applicants and household members must disclose arrests, charges, petitions and/or active probations or parole statuses in the last 12 months. Failure to disclose these will disqualify an application.
- HFHGN’s policy determines what conditions render an application ineligible including, but not limited to, the list below. Full policy information is available upon request.
  - Presence on a sex offender registry or convictions, adjudications, diversions, guilty or nolo contendere pleas for an offense that would constitute a Class A felony in the State of Tennessee.
  - Convictions, adjudications, diversions, guilty or nolo contendere pleas for felony offenses other than Class A that have occurred in the last ten years.
  - Convictions, adjudications, diversions, guilty or nolo contendere pleas for an offense that would constitute a Class A misdemeanor in the State of Tennessee that have occurred in the last five years.
  - Convictions, adjudications, diversions, guilty or nolo contendere pleas for misdemeanors other those considered Class A in the State of Tennessee that have occurred in the last five years may be disqualifying if HFHGN determines, in its sole discretion, that the offense has the potential to affect the right to peaceful enjoyment of the neighborhood by others living in the applicant’s prospective community or that threatens the health, safety, or welfare of HFHGN, its staff, volunteers, partner families, contractors, and agents, or others living in the applicant’s prospective community.
  - Arrests, charges, or petitions against any member of the applicant household, whether convicted, adjudicated, or not, involving any of the offenses listed above, and occurring in the last twelve months.
  - Probation or parole sentences must have been completed satisfactorily for one year. Documentation may be required.
  - Failure to disclose any of the above will disqualify an application.
- This policy remains in effect throughout the HFHGN partnership, from selection to the purchase of the home.
Definition of Household:

- For the purposes of Sex Offender and Criminal Background Check Policy used for selection into the Habitat program, household member is defined as those listed on the Application for Housing who intend to reside in the Habitat home and separated spouses whether or not they intend to live in the Habitat home. If selected into the Habitat program, applicants must immediately notify HFHGN of any household changes prior to the purchase of the home. Applicants who provide false information regarding household members at any point in the selection process or Habitat partnership will be declined.

- When an applicant is selected and successfully completes the Habitat program, they will purchase the home and sign deeds of trust that will contain language regarding default (foreclosure) if there is criminal or juvenile delinquent activity. In summary, the deeds of trust state that it is a default if any member of the Borrower’s (or homeowner’s) household, a guest, or other person under the Borrower’s control commits criminal or juvenile delinquent activity or engages in abuse of alcohol or controlled substances in a manner that threatens the health, safety or right to peaceful enjoyment of the neighborhood by others residing in homeowner’s neighborhood. (Complete Deed of Trust language is available upon request.)

- Per the deeds of trust, household is defined as, “any dependent, family member, spouse, boyfriend/girlfriend, or any other person whom Lender [HFHGN] reasonably believes to be residing on the Property. Factors that Lender shall consider when determining whether someone is a member of Borrower’s household shall include, but are not limited to: (1) the persons’ subjective or declared intent to remain in the household either permanently or for an indefinite or unlimited period of time; (2) the formality or informality of the relationship between the person and the other members of the household; (3) whether the place where the person lives is in the same house or in the same neighborhood; (4) whether the person asserting residence in the household has another place of lodging; and (5) the age and self-sufficiency of the person alleged to be a resident of the household. A person “under Borrower’s control” is any person whom Borrower has permitted access to the Property. See Department of Housing v. Rucker, 535 U.S. 125, 122 S. Ct. 1230 (2002), which upheld a federal statute.

I/we acknowledge receipt of this Notice regarding HFHGN’s Sex Offender and Criminal Background Policies used during the selection process for Habitat partnership as well as notice regarding criminal and juvenile delinquent activity default language in the deeds of trust should I/we be selected and complete the purchase of a Habitat home. I/we acknowledge that I have notified all household members age 14 and older of these policies. I/we have truthfully disclosed all persons who intend to live in our Habitat home at this time. Should I/we be selected for partnership, I/we will notify HFHGN immediately upon any changes to our household and consent to any applicable sex offender or criminal background checks before the purchase of the home.

1. **Initial Review:** Habitat staff will review your application and obtain your credit report within 30 days and take one of the following actions:
   - The application will be declined* if it did not include the application fee or the items listed on page D.
   - If our initial review indicates that the application is potentially eligible, we will request additional documents as listed on page 22 to further determine if qualified. **You will have 30 days to turn these in.**
   - If we determine the application is not eligible at any point in this process, it will be declined.*

2. **Additional Review:** Once you submit your additional documents, we will determine whether your application should be moved to an interview or be declined.*

3. **Interview:** You must have attended an Information Meeting before the interview. The interview will be scheduled with Habitat staff during our regular office hours. The purpose of the interview is to clarify and review the financial aspects of your application and owning a Habitat home. We will discuss your housing need and willingness to partner with Habitat. It is also a time for you to ask questions. After the interview, we will inform you whether your application is moving forward to the next steps or whether the application is being declined.*

4. **Verifications/Criminal Background:** Prior to the home visit, we will perform background and other verifications.

5. **Home Visit:** Two volunteer members of the Homeowner Selection Committee will schedule a home visit with you. The purpose of the home visit is to meet your household, understand your housing need, and confirm your willingness to partner and participate in the Habitat program. You will receive more information about the home visit should your application reach this stage.

6. **Homeowner Selection Committee Vote:** The Homeowner Selection Committee will vote to select/pre-approve or decline* your application in the month following your home visit.

7. **Partnership Selection/Pre-Approval:** If the Committee selects/pre-approves your application, you will receive and sign a Partnership Agreement/Notice of Pre-Approval and attend an Orientation to Habitat to learn details of how you will accomplish all requirements to fully qualify for Habitat's mortgage loan. An exact home location will not yet be known. From partnership selection to mortgage approval and home purchase generally takes 6-18 months.

   *If your application is declined, you will receive an Adverse Action Notice by mail. This notice will explain the reasons for the decline and may include resources to help you address these for a future application. However, we cannot guarantee that addressing these specific decline reasons alone will make a future application eligible as our criteria and your situation may change over time. If you believe the decline reason is not accurate or do not understand it, we are happy to discuss this with you.

**Application Completion**
Applicants are responsible for completing all paperwork, attending an Information Meeting, and participating in the steps listed above in a timely manner. Habitat will complete its reviews, as explained above, as quickly as possible, but applicant volume will determine how quickly this happens. All steps above are required for an application to reach final completion and approval. We will remain in regular contact with you during this process, mainly by mail.

**Information Changes**
Since the selection process may take time, please make sure to provide us with updated information such as changes in your contact information. You should immediately inform us if there are changes to your application including but not limited to marital status, household members, income amounts, sources of income, job changes or additions, expenses/loans, criminal/juvenile delinquency history (e.g. arrests or charges), and assets/savings.
**Additional Documents to be Requested:**

If you submit everything on the Page D checklist and we determine that you might be eligible, you will receive a letter in the mail requesting additional documents that must be turned in within 30 days, so be prepared! Below is the list of items that will be requested. In some cases, items other than those listed below may be requested due to your individual circumstances.

- Income - More recent paystubs and other income documents
- Bank Statements – 3 most recent monthly statements (including ALL pages) for ALL accounts you have (including checking, savings, and pre-paid cards)
- Printout or letter with current benefits received including food stamps, Families First, Medicare, etc
- Bills – two months’ bills for all of the following items you pay: electric, water, gas, cell phones, home phones, internet, cable, childcare, life insurance, health insurance, storage, other recurring bills
- Letter of Credit from electric, water, and gas companies. Obtained by contacting their customer service.
- Auto insurance – proof of coverage and premium amount (required if you own or drive a vehicle regularly)
- Credit Card Statements – 3 most recent monthly statements for each open account
- Loans statements with the balance, payment, and 12 month history of payment. (includes car, student, personal, furniture, etc)
- Proof of identity and age for all other household members under age 18. (birth certificates, passports, etc.)
- Section 8 or rental assistance documentation that shows your portion rent paid
- Divorce Decrees, if applicable.
- Proof of previous homeownership ending date (sale of the home, payoff, foreclosure date)
- Documents from a separated spouse including identification, income sources, and background consent forms.
- For self-employed or 1099 contractor applicants – You will be required to create and submit a statement of your monthly gross business income and expenses so far this year. You will then calculate an ending net income for your business. We may additionally ask for proof of income like checks from customers, bank deposits, and receipts/invoices for business-related expenses. An accountant may be helpful for this.

**Tax-Related Documents**

**Tax Return or Transcripts:** You may provide a copy of your filed tax return including the 1040 form and all schedule forms. If you do not have a copy of your filed tax return, you may get a transcript from the IRS. Transcripts do not look like the tax form you filed, but they contain all of the information we need. Transcripts are FREE and if you request them by phone or internet, they will arrive by mail in about two weeks. You do not need the version that you would have to pay for.

**W-2s and/or 1099s or Transcripts:** These are provided by your employers or contracting companies each January, and you use these to file your taxes. If you did not keep copies, your employer should have them; employers are required to keep these on file. You may also request them from the IRS, just follow the instructions below. **From the IRS, you will request a Wage and Income Transcript.**

**Verification of Non-Filing:** There are many reasons people are not required to file taxes. If you did not file taxes, we need a letter from the IRS that says they have no record of your filing for each year requested.

**Ways to request these documents from the IRS:**

- Internet – [www.irs.gov](http://www.irs.gov) – Follow the links to get a copy of your return and then follow the instructions to get a transcript. You do not need to pay for an original copy. You will need your Social Security Number, Date of Birth, and Address that was listed on your last return unless you have changed your address with an official post office change of address form. If you filed jointly, use the first person’s Social Security Number.
- Phone – 1-800-908-9946 – You will need the same information as listed above in the internet option.
- In Person – Local IRS Office – 801 Broadway (Federal Courthouse Building, Downtown Nashville beside the Frist Center for the Arts), hours are Monday – Friday, 8:30 – 4:30, for an appointment, call 1-844-545-5640.
Frequently Asked Questions about Submitting an Application

Can you tell me if I meet a particular requirement? (Do I meet the income limits, etc.?)
We are unable to tell anyone if they qualify without an application. You can learn more by visiting our website, reading the Own a Habitat Home brochure, and by attending an Information Meeting. Sign up today at https://www.habitatnashville.org/apply. We do our best to provide general information about eligibility but please understand many factors are considered when we review your application that cannot be explained in a brochure.

Can I speak to someone to review my application?
Unfortunately, we may not be able to answer your individual questions during high volume times, so we are providing this list of frequently asked questions about applying. If you feel you need to share additional information or explanations about your application, please include notes with your application.

Can you help me fill out the application?
Due to a large volume of applications, we encourage you to ask a trusted friend, family member, case manager, social worker, or even someone at your bank to help you if you do not understand the application’s questions or need help filling it in. Additionally, you will learn more by attending an Information Meeting. If you need an accommodation due to a disability, please let us know.

Do I have all my paperwork?
If you have included everything that applies to you on page D, then you have all the initial paperwork! We know it’s a lot, but buying a home requires effort; we need this information to make a good decision about your application. We will decline applications that are not complete. If you are unsure whether you have provided the correct documents or answered a question correctly, do your best and provide notes to us about these. We will give consideration for your efforts. Some documents are explained further here.

I can’t get my landlords or employers to complete their form, what should I do?
For landlords, please provide a written statement as to why your landlord will not or cannot complete the form. Then, if possible, provide a copy of your lease and proof of payments made.

For employers, they may tell you that they cannot complete the form because they use an automated verification system. A common one is called “The Work Number”. In this case, your responsibility is to provide us with the employer code and a salary key. You may have to speak to your human resources department to understand how to get the salary key. Additionally, your supervisor will need to answer the question at the very bottom of the Verification of Employment regarding your ability to participate in the Habitat program compared to your work schedule. This process is explained on the Verification of Employment form.

What if I live with my family or friends? Should they complete the Verification of Housing form?
Yes. We may eventually ask you to provide proof of payments you make to your family/friends such as money orders, cancelled checks, bank transfers, or ATM withdrawals consistent with the amount you pay.

What if I did not file taxes in the last two years?
See page 22 of the application, “How to Get Tax-Related Documents.” You will need to get a Verification of Non-Filing from the IRS.

When I try to order tax documents through www.irs.gov or their automated phone line, I only get the option to order the Tax Return Transcript and not the Wage and Income Transcript? What should I do?
Our best advice is to visit the IRS office in person. The address is 801 Broadway; hours are Monday-Friday, 8:30 a.m.-4:30 p.m.

What if my employer does not give me paystubs or I get paid in cash?
If you do not have a paystub because you get paid in cash, then you are probably not an employee but rather a self-employed contractor (also applies to Uber/Lyft). You should follow the instructions for self-employed applicants. Otherwise, employers must provide their employees access to the details of their paystub. They may do this electronically, so you may have to use a computer to print them. Contact your human resources department to find out how to do that. You can use a computer at local libraries.

What if I do not have my permanent resident (green) card?
We require permanent residency or U.S. citizenship of all applicants. If you do not have a permanent resident card but have received notice that yours is approved and will be mailed shortly, you can turn in that notice and we will review it.
What if I do not work or have no income sources?
Income does not have to be from employment. You should provide documents showing other types of income you receive such as child support, social security, retirement, etc. However, if you or any other adult in the household does not receive income from any source, we may ask them to sign a special form that must be notarized.

What if I have a court order for child support but the other parent never pays or is not consistent?
You must provide a copy of the court order. You must also provide a history of payment for the last six months (even if it shows there were no payments). This will come from the child support enforcement office’s records, either by requesting it at their office or going online. If you receive monthly statements, you can also turn these in for six months.

What if I have any debts or collections on my credit?
If you have recently paid off, paid down, or settled items on your credit report, we highly recommend including proof of this with your application as credit reports do not update immediately. You can read more about the qualifications on our website, in the Own a Habitat Home brochure, and by attending an Information Meeting.

I’m married, but my spouse and I are separated (including if your spouse is in another country awaiting emigration to the U.S.). What should I do?
To move forward with an application, we will need information from your spouse, whether or not they will actually live in the home with you at some point in the future. Your spouse must sign a special affidavit (Habitat will give you this once you apply), provide proof of permanent residency or citizenship in the U.S., proof of their income (which may add to your total household income), and they must submit to a criminal background check. We will also require their physical presence in Nashville to sign certain documents when you buy your home. The affidavit your spouse will sign indicates their willingness to participate as described above. If your spouse is unwilling to do this or unable (e.g. they live out of town and cannot travel to Nashville, they are incarcerated, or you cannot find them), we will not be able to move forward with your application.

I am married and my spouse will live with me, but I do not want him/her to be a co-applicant. What should I do?
If you are married and both spouses intend to live in the home and receive the benefit of Habitat homeownership, then both spouses must be applicants. Credit of both spouses will be considered and both will be required to partner with Habitat and complete sweat equity if approved.

I have something on my criminal background. Should I apply?
Please read the criminal background policy summary on page 14 and 15 of the application. If you are unsure of exactly how your former criminal charges ended or were classified, we suggest checking with the court system or your attorney. Otherwise, we are unable to tell anyone if they qualify without having received their application.

I’m not sure if my significant other (or any other person) will actually live with me if I get a Habitat home. Should I list them on the application?
You should do your best, based on what you know today, to list those who will live in your Habitat home at the time you move in. Understand that moving in your home will likely be about 12 months from when your application is accepted. If your expected household changes at any point during the application process or while you are in the program, you must let us know immediately.

I have a disability and do not think I can complete the sweat equity hours. What can I do?
Habitat will make accommodations for sweat equity hours for those who need it because of a disability. In most cases, we will find activities within your abilities. In some cases, we may allow you to have friends or family to donate hours. In that case, the friends/family will sign an agreement with Habitat and you to do so.

I’m interested in a particular location. What should I do?
You should attend an Information Meeting and check our website for the locations that are currently available (sometimes this may not be known). However, applicants do not get to choose the final location, floor plan, lot, square footage, or features of their homes. Expected locations will be discussed further with you once we evaluate your application and are moving it forward.
